2017/2018 VALUES AND PRINCIPLES COMPLIANCE EVALUATION REPORT

Article 234 (2)(h) of the Constitution and Section 63 of the PSC Act 2017 requires the Public Service Commission to evaluate and report to the President and Parliament on the extent to which the values and principles mentioned in Articles 10 and 232 are complied with in the public service. The Commission has therefore continued to undertake evaluation on Compliance with the Values and Principles since the year 2012.

The previous six (6) Compliance Reports contain recommendations meant for implementation by Ministries, Departments and Agencies (MDAs). A review of the implementation status of the subsequent reports from 2013 to 2017 indicates that some recommendations have remained unimplemented. Further, some crosscutting issues from the reports have been identified as performance gaps while others that are institution-specific remain outstanding across the public service.

In order to address the above concerns, the Commission introduced an online survey tool during the 2016/2017 evaluation process that greatly enhanced the effectiveness of data collection and analysis. The online tool has since been upgraded and will be used to collect data from all MDAs during the 2017/2018 evaluation.

Towards ensuring that MDAs are adequately prepared for the 2017/2018 reporting cycle, the Commission has organized a two (2) days sensitization programme that is scheduled to take place at the **Kenya School Monetary Studies (KSMS)** Nairobi from **20th August to 13th September 2018**. During the Workshop, a demonstration on how to fill the online tool will be made to all the participants.

The workshop targets all Heads of Human Resource Management and Development (HRM&D) and the technical officer handling Governance and Ethics in the institution. Please note that the Commission expects only the targeted officers to attend the workshop on the appointed dates as provided in the attached sensitization schedule. The Commission will provide an online link of the instrument to Heads of HRM&D after the sensitization exercise.

The online instrument must be filled by the sensitized nominees and submitted by the institutions on or before **28th September 2018** to facilitate completion of the 2017/2018 Values and Principles Compliance Evaluation Report for onward transmission to the President and Parliament.

Further, one of the critical areas for the 2016/17 evaluation included compliance with Section 16 of Leadership and Integrity Act, 2012 and the Schedule there-in. It was evident from the evaluation findings that many institutions had challenges with the filling of the schedule. The Commission has developed templates for all the 15 provisions for ease of filing (**copy attached**). Kindly note that this is in line with the Government's efforts to fight corruption and ensure an ethical public service.

Copies of the filed disclosures, both soft and hard copy, for all officers together with the names and contact details of the aforementioned two (2) officers be submitted to the Commission on or before Friday **27th July, 2018**. The soft copies of the dully filled templates should be sent to ethics@publicservice.go.ke.

The invited institutions outside Nairobi will cater for transport and accommodation for the nominees while the Commission will meet the cost of conference facilities and training materials. All nominees will also be required to come with laptops as the programme involves practical sessions.

Kindly note that copies of the Baseline report, the 2012/13, 2013/14, 2014/15 2015/16 and 2016/2017 reports, as well as the "*Framework for the Implementation of Values and Principles in Articles 10 and 232 of the Constitution in the Public Service*" can be downloaded from the Commission's website (i.e. www.publicservice.go.ke.) Please acquaint yourself with the above reference documents and any other relevant public service guidelines and regulations in preparation for the sensitization.
